Do you know Christmas classics? A Christmas classic is called 'A Christmas Story'. This story is about a young boy, Ralphie Parker, who wants a Red Ryder Carbine Action 200-shot Range Model air rifle more than anything for Christmas. Almost everybody says, "You'll shoot your eye out!" Christmas morning came & his dad got Ralphie the toy. He tested it out, but it cracked his lens open. Ralphie sure learned his lesson.

Guess The Character?

Remember the old Charlie Brown? Well, he was the character last week!

This week's character is from a famous movie about a reindeer who gets bullied. He leaves town, which is where a certain "man in the red suit with a white beard who goes HO HO HO" lives. He meets an elf who wants to be a dentist, and a man named Yukon Cornelius. Do you know who this famous reindeer is? A segment of a photo is below.

These drinks may not be hot but they are sure good. If you would like one of these drinks, look it up so that you can instruct on how to make it.
